

U10 Boys, U10 Girls

Beginning in the Fall of 2011, the Ashland Soccer Club will train our U10 groups 'Academy Style'. There will be a Girls Head Coach who oversees and directs the training and development of the entire girl's player pool, and a Boys Head Coach who oversees and directs the training and development of the entire boy's player pool.

These coaches will be selected soon by the Club, and we will announce these selections on the web site.

U10s play recreational soccer, and there is no tryout required to be placed on a team. Coaches strive to give all players equal playing time and experience in various positions on game day. Recreational teams practice twice weekly and play in a fun 8 v. 8 league against teams from the Rogue Valley Soccer Club (RVSC).

Home games are in Ashland and away games are in Medford. Fall practices will start late August.

Both experienced players from the Y program and players new to the game of soccer are welcome!
