

U14 Girls Recreational

The Ashland Soccer Club is extremely fortunate to have Coach Scott Wilson to lead the recreational squad at this level for the Fall 2011 / Spring 2012 season. Scott is an experienced, devoted, and knowledgeable coach. His enthusiasm for working with the players at this level will most certainly result in a positive, enriching experience for all girls who participate.

All age eligible girls – U13 or U14 players – can play on this team. No tryout is required, and no previous experience is required. Just sign up and play!
